Safe Riding

All bicyclists are subject to all vehicular traffic regulations outlined in New York State's motor vehicle laws. Bicyclists should travel with the traffic on the right side of the road, using shoulders if they are clean and wide. Children under the age of 14 are required to wear helmets for bicycling, though helmets are recommended for riders of any age. Riders should wear bright colored clothing and utilize reflectors and lights when riding after dark.

All routes shown on these tours are regular state and local roads used by automobiles, trucks, buses and other motorized vehicles. The DOT in no way warrants the safety or suitability of the routes for shared bicycle/motor use or for use by young and/or inexperienced riders. Bicyclists assume the risk for their own safety at all times when traveling on the indicated routes.
